

MILESTONE REWARDS

Your fundraising is so important to Animals Asia that we'd like to thank you for your efforts with our Milestone Rewards.

HK\$3,500

We'll send you and your students a behind-the-scenes video tour of our Vietnam bear sanctuary. You'll have an inside look at the work we do to provide the rescued bears with the lives they deserve. You'll see the toys and treats we give them, their outdoor play areas, and of course you'll get to meet some of our lovely rescued bears!

HK\$7,500

You can send us a list of questions about the bears, ending bear bile farming, or animal welfare generally, and our expert team will reply via video link! This is a great opportunity to ask about the work we do or about a specific bear at one of our sanctuaries.

HK\$15,000

You'll receive a personalised thank you video from our staff, including a special message from Animals Asia founder and CEO Jill Robinson. Like you, Jill is passionate about helping animals most in need. Without wonderful supporters like you, none of our work would be possible.

If these milestone amounts aren't achievable, don't worry! We'll greatly appreciate your efforts no matter how much you raise. You'll receive a personalised thank you certificate and letter to show how much you mean to the animals!

Please contact our Supporter Care Team at community@animalsasia.org if you ever need anything. We're here to help!
