**MAKE YOUR COLLECTION GO EVEN FURTHER!**

We are eligible to collect gift aid on the change collected in our tins. To claim this though, we need to record each denomination of notes and coins... (Any single donation over £30 isn't eligible!) This will make your collections go even further toward helping Animals Asia!

Use this handy table to help calculate all the money from your tin – record it here before you bank it, and send it back to us! With these records, we'll be able to claim an extra **25%** for the animals! It's that simple!
